DATE:	20th February 2013

Re: Invitation to the meeting of the CAP Advisory Group on the public consultation on the review of the School Fruit/Milk Schemes

Dear Sir/Madam,

The Commission's services have informed us that a **meeting of the CAP Advisory Group on the public consultation on the review of the School Fruit/Milk Schemes** will be held on **Friday 15th March 2013 from 9:30 a.m. to 1:00 p.m.** at the Albert Borschette Conference Centre, rue Froissart 36, 1040 Brussels. The invitation **PAC(13)1287 (rev.1)** can be found on Agri Info, in the PAC section. The agenda is not yet available. Please do however refer to the public consultation **FL(13)883 (rev.1)** and the briefing note **FL(13)894 (rev.1)**, both of which can be found in the FL section on Agri Info.

The Commission has allocated **27 expert seats** to the Copa-Cogeca delegation for this meeting. We will use the method explained below to draw up the list of our representatives.

Please nominate the experts you would like to represent your national delegation within the Advisory Group by **national delegation** (not by member organisation). The seats shall be allocated based on the population of each Member State, the first seat going to the Member State with the most inhabitants and so on.

Considering the procedure that will be used, please **nominate two representatives per national delegation, in order of preference**. This will allow the Secretariat to establish the composition of the Copa-Cogeca delegation. I am confident that you will manage to reach an agreement within your national delegations for this nomination process. Please note that preference should be given to experts with particular knowledge/expertise in international trade and development.

Yours faithfully,

Pekka Pesonen
Secretary General
