

# RESCHEDULED

# The importance of Plant Protection Products to British Food

**You are invited to attend** the European launch of a report by the Andersons Centre, to hear and discuss the findings of a study into the cumulative effects of the loss of Plant Protection Products on UK Agriculture and Horticulture and the wider economy.

The event will be chaired by the NFU Vice President, Guy Smith. Andersons' Richard King, Partner and Head of Business Research will present the findings of the report. Senior industry figures will then hold a Q&A session followed by a networking lunch.

**When: 4<sup>th</sup> February 2015 at 11.00-12.30**

**Where: COPA-COGECA - 61 rue de Trèves 1040 Brussels**

**RSVP: by 15th of January to: [michelle.hickey@nfu.org.uk](mailto:michelle.hickey@nfu.org.uk)**
